

East Grand Fire Protection District #4

Membership Information

Thank you for your interest in becoming a member of East Grand Fire Protection District #4. This outline provides a brief explanation the department's structure, the application process, basic requirements to become a member and membership duties.

EGFPD relies upon our dedicated volunteers who are willing to commit the time necessary to cover the ever-increasing number of emergency calls we receive. We respond to structure fires, automobile collisions, hazardous material incidents, wildland fires, fire alarms, medical assists, ice rescue and public assistance calls. This provides you with an excellent opportunity to gain experience in the field of Fire and Emergency Services while providing a valuable service to the local community.

The District follows a para-military command structure with two divisions, Operations and Administration, both overseen by the Fire Chief. The Operations Division includes Assistant Chiefs, Captains and Lieutenants (the Company Officers) as well as Firefighters, and probationary Firefighters. The Officers are responsible for the supervision of firefighting personnel during any call or operation. The Administrative Division includes office staff that is responsible for the day to day business functions of the district and in supporting the volunteers.
